Welcome to Romain Rolland Library !

Our services

- You can borrow 10 books at a time for a period of 3 weeks : come to the library desk with your library card and the chosen books.
- You can extend the loan period for another 3 weeks (2 times maximum), as long as the documents are not reserved by another patron. Extensions can be made at the library desk, by phone, by e-mail or online with your user account.
- Reserving documents : you can ask at the library desk or by phone. We will call you when the book is ready for you.
- Checking your user account online (borrowed books list, due date, booked documents list...).
- Using our computers : give your library card to the desk (children under 12 years old have to be with a grownup). You can use Internet, programs and print documents (0,20€ / page).

Your registration is valid in the four libraries of Evere and Schaerbeek network !

How to register ?

How to find a document ?

- To search a document, you can ask a librarian for help, refer to the classification plan or consult our online catalog.
- Our online catalogue will inform you at
 - knowing if the library has a specific document ;
 - if it is available and if you may borrow it ;
 - where it is in the library (a librarian will fetch it for you if it is in the Reserve) ;
- If we do not have the document you're looking for, the librarian can ask it to another library with our inter-libraries system. You can also suggest acquisition of the document by the library.

Ask for the schedule !

- The library often organises shows, author meetings , activities and more.
- You will find more information and the agenda on our desk, our website or on our social medias (Facebook and Instagram).

Code of conduct !

- Take care of the books, respect the place and the people :
- Turn off your mobile phone and music ;
- Leave your pet, bicycle, rollers, hoverboard outside ;
- Eating and drinking inside is not allowed.

You love to read but you have difficulties to move ?

- « Bibliothèque à domicile », organised by the non-profit association « Age et transmission », can help you ! A volunteer will make the link between you and the library and bring the books you want to read to you.
